

Report from the Los Osos/Baywood Park Chamber of Commerce April 1, 2021

2020 was an unusual year for the Chamber's annual Installation and Awards Dinner. For the first time it was held virtually with no dinner or guests, and at 10:00 in the morning! A video was compiled of that event with the winners of the awards. Access it on our Facebook page: www.facebook.com/lobpchamber and on YouTube: www.youtube.com, search Los Osos Baywood Park Chamber.

We are hoping to hold in-person events later this year, but we have Plan Bs if that doesn't work out.

The Los Osos/Baywood Park 2020 Membership Directory Is always available online, and the 2021 version is in production now, due out in June, 2021.
