The BMC met on November 16th; the following are the key highlights from the agenda:

Presentation by LOCSD regarding the Water Supply Resiliency Intertie Project. LOCSD staff provided an update to the BMC on the project.

2023 Budget. BMC staff presented the 2023 budget; the budget includes a new lower aquifer monitoring well tentatively located at the east end of Skyline Drive.

Preliminary fall water quality monitoring results. Cleath-Harris Geologists provided the preliminary fall water quality monitoring results. The report was not available at the time the UAC agenda was posted.
