STAFF RECOMMENDATION

Motion: I recommend to the Board that the Board receive and file the Quarterly Investment Report for the fourth quarter of 2022 and the Annual Investment report for 2022.

Discussion

The District's Investment Policy requires the Finance Officer/Treasurer, which is the General Manager, to make quarterly and annual investment reports to the Board as detailed further below and in the attachments.

Annual Report

The Investment Policy requires that the District's Finance Officer/Treasurer (General Manager) to file an annual report (attached) which contains the following information:

1. Type of Investment
2. Institution/issuer
3. Date of Maturity (if applicable)
4. Amount of deposit or cost of the security, including par and dollar amount invested on all securities, investments, and moneys held by the District
5. Current market value of securities, with identification of the source of the valuation, for all securities held by the District as well as securities under the management of any outside party that is not also a local agency or the State of California Local Agency Investment Fund
6. Rate of Interest
7. Statement of compliance with the Statement of Investment Policy or the manner in which the portfolio is not in compliance
8. Statement of the District's ability to meet cash flow requirements, including any pool expenditure requirements, for the next six months, or an explanation as to why sufficient money may not be available
9. Accrued Interest (if applicable)
10. Description of any of the District's funds, investments, or programs that are under the management of contracted parties, including lending programs

Quarterly Report

Policy: *Finance Officer/Treasurer shall file a quarterly report that identifies the District's investments and their compliance with the District's Investment Policy. The quarterly report must be filed with the District's auditor and considered by the District's Board of Directors within thirty (30) days after the end of each quarter (i.e., by May 1, August 1, November 1, and February 1) (California Government Code § 53646).*

The District holds Treasury Investments in US Bank as detailed in the attached "Detailed quarterly investment report fourth quarter of 2022."

The District holds funds in checking, LAIF, and money market accounts as detailed in the attachments for each account. Pursuant to District policy, these funds require limited quarterly reporting of the most recent ending statements for the quarter. See attachment.

Compliance: The District's investments comply with the Investment Policy, California Government Code § 53646, and California Government Code § 16429.1.

Cash Flow: Based on our analysis, the District can meet cash flow requirements, including any pool expenditure requirements, for the next six months.

Recent Maturities

No new bills matured during the 4th quarter. The most recent maturities occurred August 11, 2022 and the District plans to reinvest the funds from these two Bills. Staff will review cash flow needs of the funds, legal reserve requirements, and current interest rates to determine the appropriate allocation of reserves and investments.

Publicly traded assets are valued in accordance with market quotations or valuation methodologies from financial industry services believed by us to be reliable. Assets that are not publicly traded may be reflected at values from other external sources. Assets for which a current value is not available may be reflected at a previous value or as not valued, at par value, or at a nominal value. Values shown do not necessarily reflect prices at which assets could be bought or sold. Values are updated based on internal policy and may be updated less frequently than statement generation.

WATCH OUT FOR CARD OR ACCOUNT LOCKED SCAMS

Criminals contact you via phone, text or email pretending to be your bank or a credit card company, and tell you that your account is "locked" or "frozen" from fraudulent attempts to access it. They then ask for your card number, account number, password or PIN to "unlock" the account. **Learn how to spot this scam at www.MechanicsBank.com/Security.**
