Board of Directors

Los Osos Community Services District

It is with great pleasure to present my recommendations for operational expenditures and forecast for revenues for the Fiscal Year (FY) 2022-2023 to the Los Osos Community Services District Board of Directors and Los Osos community members. The development of the budget was a team effort which included staff, a volunteer Working Group, advisory committee members and community residents.

This FY 2022-2023 Budget Document includes a variety of information designed to assist the reader in understanding the District's financial health and fiscal priorities for the fiscal year. The budget document is formatted to provide the key information for each fund followed by a summary of revenues and expenditures. The purpose of displaying the information in this manner is so the reader can get an understandable view of the fiscal health of each fund and of the District as a whole.

This budget continues to implement the District's reserve policies which were amended and updated in 2017 to ensure the sustainability of the District's operations and programs for emergency services, water, drainage, lighting and parks and recreation. With the adoption by the Board of 2022 work plans for the various committees, the budget supports the direction and objectives outlined in those plans.

Overall, the District is financially healthy in all funds. This is a testament to the leadership of the Board of Directors, input provided by the District's advisory committees, and staff's stewardship of the District's resources. When reflecting on FY 2021-2022, it can be characterized as a year of continued operational challenges due to the COVID-19 pandemic, navigating through the ongoing drought and water supply availability issues and making major progress in implementing the District's capital project plan. Each member of the District's team responded to the challenges with a positive, professional attitude to ensure uninterrupted services to the community.

As your General Manager, it is my responsibility to present a well thought out and balanced budget for FY 2022-2023 which includes recommended expenditures and forecast of revenues for each fund. I believe we have accomplished all of this with the budget as presented. As I stated earlier, this was a team effort and I want to thank all that were involved.

Respectfully,

Ron Munds  
General Manager

## **Fund 301 – Fire**

**Major Requests:** Increase in Personnel costs related to overtime for the reserve firefighters and unfunded accrued liabilities for retirement costs for legacy employees.

Though there is an overall decrease in budget for Services and Supplies due to a reduction in the Cal Fire Schedule A charges, cost for several line items were increased in the following categories:

- “Insurance, Licenses and Regulatory Fees”
- “Other Expenses” for living space upgrades at the station
- “Repairs and Maintenance” which include repairs to the training tower
- “Rent and Utilities” for increased water and cable charges.

Capital Outlay for this budget includes a structural assessment of Station 15 and the replacement of the Utility truck.

**Impact to Budget:** The increase in the Personnel costs is about \$16,100, there is a reduction in the Services and Supplies budget by approximately \$266,200 due to a \$295,680 reduction in the Cal Fire Schedule A charges in line item #7500. Minus the Cal Fire charges, there is a net increase in the Services and Supplies budget of about \$30,500. The Capital Outlay budget includes \$50,000 for the assessment of Station 15 and \$73,000 for the replacement of the Utility truck.

## **Fund 301 – Summary**

Fund 301 receives revenues through multiple sources with the primary sources being Zone B and the Special Fire Tax property taxes. Additionally, the Fund has historically received a percentage contribution from the Zone A property tax assessment. For FY 2021-22 the contribution was 52.5% of Zone A revenue or \$142,797.90. For FY 2022-23, per Board direction, Zone A revenue was increased to 67.3%, or \$190,074.04 in the final budget. The County has provided the District with the estimated property tax revenue for Zone B which is \$2,461,542.00, about a 6% increase over last year’s budget, staff has estimated the remainder of the revenue based on past projection methodologies.

On expenditures, the Cal Fire Schedule A contract amount (labor charges) is estimated to be \$2,194,786 for FY 2122-23, a decrease of \$295,684 from last fiscal year. As previously discussed, minus the Cal Fire charges, there is a net increase in the Services and Supplies budget of about \$30,500 mostly attributed to the repair of the training tower.

The Capital Outlay budget includes a complete station assessment estimated to be \$50,000 and the replacement of the Utility truck at a cost of \$73,000. Additionally, the overall contributions to reserves will increase slightly. Once the revenues and expenditures projections are solidified, staff will reevaluate the Fund 301 reserves for future recommendations for contributions.

The following table summarizes the revenue and expenditures for the Fund 301 budget. More detailed information is available in the attached Budget worksheets.

**Fund 400 – Vista de Oro**

**Major Requests:** Decrease in annual assessment do to the paying off of the inter-fund loan. Decrease in the cost allocation from 0.5% to 0.25%.

**Impact to Budget:** Annual assessment decrease from \$15,780 to \$6,000 and decrease of approximately \$1,500 for the change in the cost allocation percentage from 0.5% to 0.25%.

**Fund 400 – Mid-Year Budget Adjustment Summary**

In the past, the main Fund 400 expenditure was its debt service payment from inter-fund loan to Fund 500. The loan will be paid off in June 2022. The overall property tax assessment will decrease to \$6,000 for the lighting district’s estimated costs and administrative overhead which is proposed to decrease by about \$1,500.

## **Fund 500 – Water**

**Major Requests:** Increase in Salaries and Wages per a new two-year SLOCEA Memorandum of Understanding (MOU) (percentage to be approved at the May 5<sup>th</sup> Board meeting) and an increase in Capital Outlay for Capital Improvement Projects (CIP).

**Impact to Budget:** Using the preliminary numbers from the negotiations with SLOCEA for the new two-year MOU, Salaries and Wages will increase by approximately 5.25% (+/-), with an increase in stand-by pay and unfunded accrued liabilities for retirement which will increase Personnel Costs by about 10% or \$76,000.

The Services and Supplies budget was decreased by over \$52,000, mainly from reductions in Legal and Professional Services and in Repairs and Maintenance line items.

Capital Improvement Expenditures (GL #9006) will increase by about \$345,000 based on the continuation of the Program C Well Project and other projects identified in the CIP table below including carryover amounts from this fiscal year.

## **Fund 500 – Summary**

### ***Revenue Projections***

Staff has incorporated the projected revenue increase from the proposed water rate increase into the FY 2022-23 budget. The increase is estimated to be \$171,250 over FY 2021-22 revenues. Zone A revenue is set at \$49,989.76 per Board direction. Projected grant revenues from the Small Community Drought Assistance grant have not been incorporated into the FY 2022-23 at this time since a funding agreement with the State has not been finalized.

### ***Expenditures***

Overall, the FY 2022-23 operating budget (minus capital projects) which includes the cost for Personnel, Services and Supplies and Debt Service is projected to increase by about \$13,140 from FY 2021-22.

As previously discussed, Personnel costs are estimated to increase by about \$76,000 with the Services and Supplies budget decreasing by about \$52,000. With the refinancing of the IBank loan, debt service costs will go down by approximately \$11,000. With the addition of Solid Waste to the District's overall budget, the cost allocation to Fund 500 will decrease by roughly \$23,000.

Capital projects from the 2021-22 Financial Plan will be mostly completed by the end of the fiscal year with the exception of the Program C Well Project. A summary of this fiscal year's projects and the proposed capital projects for the upcoming fiscal year are listed in the table below.

**Fund 650 – Solid Waste**

**Major Requests:** Fund 650 is a new budget with many assumptions and estimations built in. It is proposed that Personnel and Rent & Utilities costs be part of the transfer amount in the revised cost allocation plan. Other budgetary items such as Legal and Professional Services and Office/Operations are general estimations that can be adjusted up or down during the mid-year budget adjustment process once staff has a better understanding of the budget expenditures.

**Impact to Budget:** The estimated overall budget for Fund 650 is \$211,295 which includes the \$120,000 annual payment to the County.

**Fund 650 – Summary**

The anticipated revenue from the franchise fee is \$245,000. This will likely go up after the upcoming solid waste rate increase is adopted. The requested budget, including the payment to the County, is \$211,295 which will leave an estimated positive balance between revenue and expenses of \$33,704.

The following table summarizes the budget for Fund 650. More detailed information is available in the attached Budget worksheets.
