Land Use Committee

After some practice runs we have decided to host our first public Land Use Committee meeting virtually! Pursuant to Governor Newsom's Executive Order N-29-20, the public may participate in meetings via teleconference and/or electronically. There will be no physical meetings. We will be using the Zoom platform where the public can connect through the internet via the zoom app or

You are always welcome to send an email to our Land Use chair, [Larry](#), with any comments or questions as well. Comments about projects can also be sent directly to the Planning Department. Please visit our [website](#) for more info on this process.

Land Use Committee Meeting: Monday June 1st at 7pm virtually. Please go to the [land use page](#) to download the agenda which includes the link for the meeting.

If you don't have zoom it's easy to set up an account and free. Click [here](#).

Water and Growth

There are several water planning documents available for review and public comment along with the Resource Summary Report and Growth Management Ordinance. These documents are an important component to address growth and buildout in Los Osos.

Documents are listed here but please visit the [county website](#) for some background and understanding to the process.

Comments are due by July 26th and potential date of July 7th for Board of Supervisors.

1. [Notice of Availability - RSR & GMO Updates for Los Osos](#)
2. [2016-2018 Resource Summary Report \(RSR\) - Los Osos Water Supply Update](#)
3. [Growth Management Ordinance - Proposed Los Osos Growth Rate](#)
4. [Advisory Memo - Los Osos Growth Rate Calculations](#)

Industrial Hemp Update

On May 5th The Board of Supervisors passed a permanent ordinance regulating industrial hemp cultivation and processing, which will take effect on June 4th. There were a number of significant changes from that staff report recommendations to the BOS. Although minutes from the meeting will not be available for a while you can listen to the May 5th meeting on their [website](#).
