**DISCUSSION**

We received sixty-one (61) entries total from Monarch Grove Elementary and Baywood Elementary. The Board of Directors, Golden State Water Company and the Los Osos/Baywood Park Chamber of Commerce went through the entries and selected six winners to represent the Los Osos community.

Of the six entries, two were from Monarch Elementary and Golden State chose those as their award recipients.

The Chamber of Commerce and the Utility Advisory Committee have chosen one entry each to represent their award.

Attached are the two remaining entries for your Board to choose the LOCSD award recipient. The remaining entry will then become the Chambers second entry winner.
