**Warrant Dashboard**

In June 2022, the District added a Warrant Dashboard to the transparency section of the website. The dashboard is located here:

<https://www.lososocsd.org/warrant-spending-dashboard>

We designed the dashboard as a supplemental tool to add greater transparency and oversight for the Board, committees, and the public. The information is presented on a cash-basis, similar to the existing Warrant Registry.

To prepare the dashboard, staff have reviewed all underlying data for inadvertently included sensitive or private information. At the same time, staff have implemented a practice of excluding such information in the descriptions of transactions on the financial system.
