

## Report from the Los Osos/Baywood Park Chamber of Commerce May 6, 2021

The Chamber is hoping to hold in-person events later this year using the safety protocols in place at that time. We are planning our Business Showcase; a new event, Maker's Market; Festival of Flavors; and our biggest event, Oktoberfest. Expect a Halloween version of our holiday Light Up Los Osos event, too. Two more events to come in December!

The Los Osos/Baywood Park 2020 Membership Directory is always available online, <https://lobpchamber.org/2020-membership-directory/>.

The 2021 version of the Directory is in production now, due out in June, 2021. Below is a preview of the cover:
